Chapter Grades

Last semester our chapter grades were the highest that they have been since I have been active and since most people can remember. We achieved a chapter grade point average of 2.770. This landed us 5th out of 10 fraternities on campus. I personally have never seen us above 8th. We as a chapter were above the all Male, All Fraternity, and all IFC averages. In the past we have had troubles keeping our grades above the required 2.6. This has landed us on and off of restrictions placed on us by the university. Because we were able to keep our grades above the required 2.6 average for two semesters in a row, we are no longer in danger of having restrictions placed on us. We are doing our best to keep grades on of our highest priorities and it has shown in our semester grades the past two semesters.

Ritual Equipment

Thank you to everyone who donated money to purchase new ritual equipment. We have raised around \$450 to date and we just recently purchased a full set of new officer robes. We were finally able to replace the robes that some of you may remember from when you were active and sitting in chapter. Thank you again to everyone and especially those below for their generous donations.

- Eric Christ
- Anthony Degani
- Mike "Doc" Engber
- Ryan Koester
- James Miles
- Jarrod Murray
- John Velasquez

New Members

Our spring recruitment was a couple weeks ago and we have pinned on new member and he has started his pledgeship. We are looking to gain at least one more new member in the coming weeks. We currently have 23 active members in the chapter with one member that transferred from USI and another that has come back after taking a year off. These members should be affiliating this semester bringing our numbers up. Looking forward, we will not be losing anyone to graduation over the summer. We will all be back next year ready to grow our chapter.

Upcoming Events

Keep a look out for upcoming events from the chapter. We are currently planning to have an alumni event in the near future. The actives are always happy to see alumni members on campus and in chapter. Our chapter meetings are on Sundays at 7PM in the Student Center.
