New Improved Chapter Advisory Board

This semester our original chapter advisory board was re-formulated and added to. We have picked up a new member, brother Ryan Koester. With this new addition, the chapter advisory board was also reworked to better serve the chapter as a whole. Each member of the chapter advisory board now has a specific role and will be working in conjunction with their active counterpart in the chapter. The hopes of this is to better improve the communication between the chapter and the chapter advisory board and to also better assist the chapter in specific areas that we need work in. Please help in congratulating our new CAB members and their new roles in the advisory board.

Advisory Board Chairman: Jarrod Murray
Recruitment Advisor: Johnny Velasquez
Scholarship Advisor: Ryan Koester (New Member of CAB)
Alumni Relations Advisor: Matt Bitar
Financial Advisor: Eric Christ

Thank you guys for all your help so far in helping make this chapter the best that it can be.

Special Thanks

The men of Indiana Kappa would like to send a special thanks to Brother Todd Schroeder for his generous donation of ritual equipment to the chapter. Brother Schroeder purchased much needed ritual equipment to replace missing and damaged pieces, some of which as old as the active chapter itself. Thank you!!!

Grand Chapter

This years grand chapter was a great one. The men of Indiana Kappa won three awards for their work over the past year. Phi Delta Theta won the most improved GPA among the interfraternity council with their 2.979 GPA. Phi Delta Theta was also given the scholarship award portion of Greek excellence. Three more areas to improve on and we would be eligible for the Chapter of Excellence award. Our chapter president, David Niedzwiecki was given the outstanding male Greek achiever award for the year. The brothers of Indiana Kappa have worked hard this past year and

Spring Initiates

On April 13 2008 the men of Indiana Kappa initiated three new members into the brotherhood. These men worked hard over the semester getting to know each and every active brother and learning everything there is to know about Phi Delta Theta. Congratulations to:
